Data Protection

The new General Data Protection Regulation (GDPR) requires that we have a positive opt-in from our members, where you give us permission to hold your information. Please read and sign the attached form and return it with your payment.

Data Protection

In line with the General Data Protection Regulation 2018 (GDPR), this is our Privacy Statement.

- We hold the minimal amount of data about our members that is required for us to function as an association.
- That information is held securely in a password-protected spreadsheet, and not on-line.
- That information is never passed to third parties, and is only shared with other members with your express permission.
- The only information we do hold on-line is the name and email address of members who have access the 'members only' areas of the site. This information is stored in an encrypted format.
- We do not retain any financial details about members of any type.
- You may at any time ask to inspect the information we hold about you.
- You may at any time ask us to delete any of the information that we hold about you.

I/we give my permission for the Kay Family Association UK to hold the information about me that I/we have supplied under the terms described above.
